FAITH JOURNEY EVENTS

We have special events during our Sunday Morning Worship service, where parent(s) and child come together and learn new faith skills

they can continue developing in the home. Some topics we cover are prayer, my first Bible, serving as a family, baptism, communion, relationships, communication and safety online.

FAMILY FUN EVENTS

Each year we have special events for our families such as a Family Day Festival and church picnic. All are welcome to bring friends and family to

these memorable times.

PARENTING SEMINARS

Partnering with our Out of School Care we will host seminars on topics relevant to parenting today.
