Care Team Ministry

This ministry supports the purpose statement of SHBC by loving God, each other and the world. This is done by persons who have a desire to demonstrate God's love to others. The ministry provides spiritual care, emotional care and encouragement to persons who visit SHBC, who are regular attendees at SHBC and who reside in the neighborhood. Ministry may take place in home, hospital and long term care facilities. Care and encouragement is given by phone call, visits, cards and companionship. Occasionally there may be a need to give practical assistance with transportation, minor repairs, grocery shopping etc. Training is provided for all participants.

- Have a heart to serve others.
