Coffee Counter Team

This ministry serves coffee, tea and other beverages and refreshments after the Worship Service. This promotes conversation between members and guests, allowing friendships to develop with guests and those seeking a new place to worship.

Some would argue there are few traditions in the church that are more significant in nurturing fellowship than coffee and refreshments being served in the lobby following a Sunday service. This is perhaps a fellowship highlight of the week for some

and for visitors it is an opportunity to express our gratitude and hospitality. We see this ministry as so important yet quite informal in appearance. This informal nature actually takes a significant amount of planning and work. Volunteering to provide a small snack item and more important a smiling face at the coffee counter goes a long way to show the love of Christ to a both visitor and regular attender on a Sunday morning. Those who volunteer for this ministry will be assigned one or two Sundays between Sept and May to assist our Coffee Counter point leader. More specific details including a schedule will be provided if you join the team.

OUR PURPOSE IS...

TO LOVE *(Matthew 22:37-40):*

GOD by participating in worship that is biblical, relevant and inspires people to live Spirit-filled lives. *(Acts 2:42-47)*

EACH OTHER by belonging to Life Groups where people can experience authentic Christian community. *(Hebrews 10:24-25)*

OUR WORLD by making disciples of Jesus Christ through intentional outreach both locally and internationally. *(Matthew 28:18-20)*
