# Faith Journey Events Schedule 2016-2017

We believe parents have the primary responsibility for teaching their children about spiritual beliefs and matters. We offer events to support the family through "Faith Journey Events." One Sunday morning per year, parents will have the opportunity to be with each of their children individually in a hands-on workshop to learn a new faith skill that they can continue developing at home.

## Oct 2 - Kindergarten

**My Bible:** To empower families to spend time together reading the Bible and memorizing Scripture, truly putting God's Word at the center of their lives. Each child receives their own Bible!

## Oct 16 - Grade 1

**My Church:** Allowing families to have a memorable experience together at church as they learn how much they matter to the faith community.

## Oct 16 - Grade 10

**Faith Mentoring:** To help teenagers identify & establish an adult faith mentor they can turn to for advice and support and to build a stronger relationship between the youth & adults of our church family.

## Nov 13 - Grade 2

**Serving as a Family:** To inspire and engage the family in being the hands and feet of Christ through church, community and global service as a family.

## Dec 4 - Grade 3

**Family Prayer:** To empower families to develop the regular habit of prayer and thus connect the next generation to God in a powerful way.

## Jan 22 - Grade 4

**Money & Me:** To learn what Jesus has to say about money, be challenged to consider how God might shape their finances and be empowered to develop some God-honoring & freedom building money management skills at home. Helpful hints for saving, spending, giving, investing and more.

## Feb 26 - Grade 5

**Baptism & Communion:** An in depth look at these important sacraments and where they originate.

## Feb 26 - Grade 12

**Standing Up for My Faith:** Teenagers learn the basics about cults & religions and how to stand up for their faith in challenging situations.

## Mar 19 - Grade 6

**Faith & Media:** How do we apply our beliefs to the media that daily engages us? Does our Christian faith make a difference in what we watch, hear or do? A serious look at TV, movies, music and video games and how they affect our lives.

## Apr 23 - Grade 7

**Computer Boundaries:** To empower parents and give them the information & tools that will help them effectively support and guide their children into good, safe, Christ-honoring decisions on the computer as they spend time online.

## May 7 - Grade 8

**Dating, Kissing, Sex and Stuff:** To challenge teenagers on their level, to think through their sexual choices from a Christian world view and to bridge the gap between teens and parents, bringing them into discussion together.

## OUR PURPOSE IS...
