McLeod Out of School Care

The McLeod Community Out of School Care is an outreach program of Steele Heights Baptist Church for children and families in the local community. It runs much like a regular daycare or out of school care program where we care for children before and after school. Through quality staff and time with the children our philosophy is to improve their basic living and learning skills while teaching them about Christ and how to live their lives for him. We also hope to be a light to local families and a bridge between the community and church for non-church children and parents.

There are many ways in which you may volunteer with our program. If you love spending time with children, doing

creative activities or sports you could come in as an extra helper and simply spend time with the children or run special activities and crafts with them, go on field trips, etc. If you enjoy administration and organization type tasks, it would be very helpful to have help with cleaning and organizing needs that we have on an ongoing basis to keep the OSC running properly. Most of all as we try to reach out, build relationships, and work with children and families please cover us in prayer that Gods power and purposes would be accomplished through us. If you would like to get involved in these ways or have other ideas please contact us, we would love to hear from you and would be happy to speak with you further!!!

OUR PURPOSE IS...

TO LOVE *(Matthew 22:37-40):*

GOD by participating in worship that is biblical, relevant and inspires people to live Spirit-filled lives. *(Acts 2:42-47)*

EACH OTHER by belonging to small groups where people can experience authentic Christian community. *(Hebrews 10:24-25)*

OUR WORLD by making disciples of Jesus Christ through intentional outreach both locally and internationally. *(Matthew 28:18-20)*
