Community Outreach

The Community Outreach ministry offers many opportunities to serve in our local community. These include reaching out to community people through the Mosaic Centre and our monthly Community Dinner.

Other opportunities to serve include community festivals and several other events in which we collaborate with Children's and Youth Ministry at SHBC, local churches and community agencies. It is our greatest desire as the Community Outreach ministry at SHBC to move people to the extraordinary life in Christ by encouraging them to "love God, each other and their world".

Discipleship Courses

The Alpha course offers an important opportunity for people to explore the meaning of life and God in a friendly relaxed setting. The *On A Mission* evangelism equipping classes offer a fun,

empowering learning experiences for the SHBC family and those seeking to grow in their spiritual life by equipping participants to more effectively share their faith with those around them. So, whether you are exploring what it means to be a Christian or desiring to grow as a disciple of Jesus Christ there is something for you!

World Wide Ministries

Not only do we look to serve our local community, we recognize that we have all been called to a broader service

within our world. Our vision moves us to act locally and at the same time make a difference globally. Serving, clearly benefits the recipient; however, many servants have also experienced a profound sense of God moving in their own lives as a result of their willingness to go.

Through our support of individuals and various agencies, our Church has the privilege of touching lives around the world with a longer term focus including the Asia-Pacific region, Cameroon, Nigeria, Brazil, Indonesia and Central America.

We also place an emphasis towards the shorter term opportunities where individuals experience ministry in disadvantaged areas of the world. These encounters help crystallize areas of service for those who have gone – some leading to longer term initiatives; others to greater participation in the local church ministry. Two shorter term organizations we have worked with recently and continue to support are the Chain of Love Orphanage in Novo Hamburgo, Brazil and Verbo School in Bluefields, Nicaragua.

Where is God calling you to serve?

OUR PURPOSE IS...

TO LOVE (*Matthew 22:37-40*):

GOD by participating in worship that is biblical, relevant and inspires people to live Spirit-filled lives. (*Acts 2:42-47*)

EACH OTHER by belonging to Life Groups where people can experience authentic Christian community. (*Hebrews 10:24-25*)

OUR WORLD by making disciples of Jesus Christ through intentional outreach both locally and internationally. (*Matthew 28:18-20*)
